

# GOOLWA CRICKET CLUB

## Club Events Policy

As a **Good Sports** club, we're committed to running safe celebrations for our members and guests.

We're proud to host safe events, celebrating our achievements in a way that everyone can feel included.

Our safe transport policy and alcohol management strategies help to make sure that club functions and events are memorable for the right reasons.

When attending club-run events, plan your transport home and make sure to fuel your body with plenty of food and water.

Be responsible, mind your language, be on your best behaviour

Know when you've had enough to drink

Respect all our members

Show respect towards our guests in terms of language, gestures, behaviour, taking of photos/videos.

Be aware of how people may react to what you might think are funny sledges / put downs / banter – the person it is aimed at may not find it funny and may take offence.

There's a lot to celebrate at our club; let's do it the safe way.
