

GOOLWA CRICKET CLUB

Goolwa Cricket Club Social Media policy

Our communication policy aims to protect members' privacy, maintain clear boundaries and ensure that bullying and harassment does not occur.

Administrator's will be appointed to provide accountability and control over material published on our club's website and any related discussion groups or social media websites, such as Facebook, YouTube, Twitter or any other social media/ electronic communication technology..

- No offensive content or photos will be published.
- If we intend to publish a photo of a child, we will take care not to provide identifying information.

Social media websites

- We treat all social media postings, blogs, status updates, survey replies and tweets as public 'comment'.
- Postings (written, photos or videos) will be family-friendly and feature positive club news and events.
- No personal information about our members will be disclosed.
- No statements will be made that are misleading, false or likely to injure a person's reputation.
- No statements will be made that might bring our club into disrepute.
- Abusive, discriminatory, intimidating or offensive statements will not be tolerated. Offending posts will be removed and those responsible will be blocked from the site.

We expect our members to conduct themselves appropriately when using electronic communication to share information with other members or posting material on public websites connected to the club.

Electronic communication postings(facebook, Instagram, text messages, any other forms of online media):

- must not offend, intimidate, humiliate, harass or bully another person
- must not be misleading, false or injure the reputation of another person
- should respect and maintain the privacy of members
- must not bring the club into disrepute.
- under certain circumstances, cyber bullying (e.g. bullying that is carried out through an internet service such as email, a chat room, discussion group, instant messaging or website) is a criminal offence that can be reported to the police.
- In addition, members who publish false or misleading comments about another person in the public domain (e.g., Facebook, YouTube or Twitter) may be liable for defamation.
